APPLICATION OF	:	
	:	
LATASIA DAVIS	:	
	:	
	:	CONSENT ORDER
TO PRACTICE AS A	:	
LICENSED PRACTICAL NURSE	:	
IN THE STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of the application of Latasia M. Davis for licensure by examination. Upon a review of the application and the Criminal History Background Check, it was

ascertained that the applicant had been convicted of shoplifting on January 21, 2009 in East Orange Municipal Court. She was sentenced to pay \$273.00 in fines and costs, which have been paid. The Board finds that the conduct underlying the offense for which respondent was convicted relates adversely to nursing within the intendment of N.J.S.A. 45:1-21(f).

The board having reviewed this matter, including the nature of the offense for which the applicant was convicted, and having determined that the within Order is sufficiently protective of the public health, safety and welfare, in lieu of further proceedings, and for other good cause shown;

IT IS on this 12th day of February, 2013

HEREBY ORDERED AND AGREED that:

1. The applicant's application for licensure shall be granted upon payment of any applicable fees and upon receipt of proof of successful completion of the requisite examination, if not already submitted.

2. The applicant's nursing license shall be placed on probation for a period of one year, which probation shall begin upon the date of issuance of the applicant's nursing license. The conditions of probation are set forth below in paragraphs #3 and #4.

3. The applicant shall obey all of the laws of the State of New Jersey, the United States and their political subdivisions as well as all regulations, rules or laws pertaining to the practice of nursing in the State or jurisdiction in which she practices nursing. The applicant shall report to the Board within ten (10) days any arrest, indictment or conviction for any crime or disorderly persons offense.

4. Any deviation from the terms of this Order without the prior written consent of the Board shall constitute a failure to comply with the terms of this Order. Upon receipt of any reliable information indicating that the applicant has violated any term of this Order, the applicant's license may be automatically suspended by the Board. The applicant, upon notice, may request a hearing to contest the entry of such an order. At any such hearing the sole issue shall be whether any of the information received regarding the applicant was materially false. In addition, the Board reserves the right to bring further disciplinary action.

5. In the event that no further arrest or conviction has occurred within the probationary period, the applicant may petition the Board in writing for release from probation. Upon the applicant's subsequent receipt of written acknowledgment

from the Board that respondent is released from probation, the probationary period shall be deemed to have terminated without the need for further order of the Board.
